Acting Head teacher: Ms Sarah Biss BA (Hons)

Dear Parents & Carers,

We wish you all a really restful and happy Easter holiday. As ever, the term has been a full one with lots of great learning and achievements. We are very proud of all of the hard work the children have put in. I am sure you saw this on parents evening. Thank you for your continuing support we couldn't do it without you!

Miss Warcup has announced today that our Eco-Warriors have won best campaign for an energy saving completion they entered for Bath & North East Somerset...Well done to everyone.

We are continuing to focus on reading so please keep up with reading in the Easter holidays and try and take some pictures of extreme reading to enter the Twitter extreme reading competition! You tweet them on our website.

Sporting News

Our rugby players have reached the county qualifier after reaching the semi-final tournament this week. In the year 5&6 football tournament the team played a great couple of matches with goals from Ashton and Toby Cradock. Look out for more sports news in our PE newsletter.

Texting School

Absences from school should not be reported to school via text message. Also if you need to contact the school urgently we do not advise that you text in as messages into school are usually only checked once a day, unless there are exceptional circumstances such as last week when we needed to contact parents about school lunches.

Lost Property

Please could you take some time over the Easter break to ensure that all of your child's uniform and PE kit is named. Could you also check that your child has not brought home any items that belong to another child as we have had a number of complaints from parents whose children have lost items that were named but cannot be found in school. Thank you.
