## Volunteering at Midsomer Norton Primary School

There are many ways volunteers can help at Midsomer Norton Primary School including: listening to readers, volunteering in lessons supporting groups, helping out on trips, coming into school to talk to children as an 'expert', helping out in art or DT lessons and helping supervise Forest School to name but a few. Volunteers may come in on a regular basis or just once depending on their availability.

We are seeking to create a database of volunteers to help match volunteers up with teaching staff so that volunteers feel they are making a difference and staff are able to tap into this wonderful resource.

If you are interested in volunteering in the school, please fill in the form below and return it to the school office. Mrs Blunsdon has kindly agreed to be our Parent Volunteer Coordinator and will collate all the information.

<b>Name:</b>	
<b>Child/ Children's name(s) and class</b>	
<b>Days available</b>	
<b>Able to make a regular commitment or help out occasionally.</b>	Regular                      Occasional
<b>Please circle the areas you would be interested in helping out with</b>	Listening to readers                      Supporting groups Helping out on trips                      Expert talk Art              DT                      Maths                      Science Forest School                      Other
<b>Occupation</b>	
<b>Do you have any other talent or skills you would be willing to demonstrate?</b>
